I am happy to say that Michael was offered \$10k/year to go to Roman, and then was offered \$10,500/year to go to Archbishop Ryan. He was also awarded the Neumann Scholarship from the Connelly Foundation, after which Ryan called us to waive all school fees, since his tuition was covered.

We are over the moon proud of him! And we thank you for all of your guidance and instruction. He will be enrolling at Archbishop Ryan for 2025.

GIULIANA GRUGAN
Saint Katharine Drexel Regional

Giuliana (Jules) Grugan is the oldest of 3 and currently goes to Saint Katharine Drexel School in Holland. She earned scholarships to both schools to which she applied and has decided to take her talents to Nazareth Academy next year where she hopes to play softball and get involved in their music and theatre programs. Jules has always been a great student, but when it comes to entrance exams and scholarships, everyone needs that extra edge. Being the competitor that she is, Jules wanted every advantage.

- Michael Grugan, Giuliana’s father

“My dad told me about Dr. Pace. He went to her SAT prep courses when he was in high school and said he would’ve never gotten a full scholarship without Dr. Pace’s help. I really liked seeing my progress throughout the week, going from the first day to the last. It showed me how well the tips and tricks Dr. Pace taught us really did work! (I even had walnuts as a snack!) I was able to give it my all and earn scholarships I don’t think I would’ve gotten if it wasn’t for her. It made me feel great to be rewarded for my hard work and help my parents. Thank you for your help, positivity and prayers, Dr. Pace.”

MAEVE KING
Saint Cecilia School

Maeve was introduced to Dr. Pace through one of her teachers at St. Cecilia’s. While Maeve excelled in Math, she found the ELA related areas of vocabulary and reading comprehension more of a struggle. In preparation for the HSPT for the Archdiocese high schools and the entrance exam to Nazareth Academy in the fall of her 8th grade year, she took Dr. Pace’s HSPT online course in the summer and her HSPT online refresher in the fall prior to the tests. While they were challenging courses, the test review and strategies that were taught gave Maeve the knowledge and confidence to receive high scores in both tests. She was awarded two 4- year scholarships to the two schools she applied to: a \$26,000 scholarship to St. Hubert’s and a \$40,000 scholarship to Nazareth Academy. The investment in Dr. Pace’s courses paid dividends and gave Maeve the peace of mind she needed to confidently take these tests and also prepared her to excel in her last year at St. Cecilia’s.

Thank you, Dr. Pace!

- Erin King, Maeve’s mother
