DANIEL BRADY: SAINT CECILIA STUDENT SHINES!

Dear Dr. Pace,

Our son Daniel followed in his brother Ryan's footsteps starting as a Whiz Kid and ending in your HSPT prep class. Your programs helped him to achieve high scores in both the TerraNova and the high school entrance exams. Daniel was awarded several scholarships including the Neumann Scholarship, the Xaverian Scholarship to St. Joseph's Preparatory School, the Presidential Scholarship to LaSalle College High School, the Presidential Scholarship to Holy Ghost Preparatory School, the Academic Achievement Scholarship to Father Judge High School and the Founder's Scholarship to Roman Catholic High School. He was also an IHM Math Contest Finalist. We feel extremely blessed for the opportunities he was given and are grateful to you for helping him with his achievements. You give your students not only the tools but the confidence to do well on standardized tests. We are looking forward to starting our daughter Samantha's journey with you as she enters 4th grade and continuing our sons' education in your PSAT/SAT Academic Programs.

This spring, Naygie Baucicot was one of the 6 students who comprised our very own, and very impressive, CORONAVIRUS TASK FORCE. Half of those students, including Naygie, were selected to sit for the Neumann Scholarship test. My advice to high schools--Naygie is a student you want on your radar!

NAYGIE BAUCICOT, Maternity BVM, entering 8th grade

Dear Dr. Pace,

I would like to thank you for supporting Naygie for the past 2 years. In sixth grade, she was successful in the Terra Nova course which boosted her score significantly. Naygie took the same course this year in the comfort of home due to Covid-19. Despite the fact she didn't take the Terra Nova test this year, she learned many skills that can be applied in Reading, Math, and English. I appreciate that you took this opportunity to create a Coronavirus Task Force. This course was beneficial and allowed her to be more informed about Covid-19. Naygie is now a candidate for the Neumann Scholarship and I am very proud of her. Thank you for all the guidance that you gave her that continues in the future.

Natalie has also applied for the Maguire Scholarship. Due to the Covid-19 situation, the acceptance notifications have been delayed. So far, these awards have amounted to several thousand dollars. Natalie is so grateful. Natalie was Captain of the Varsity Girls Volleyball team. She will be playing on the Club MONTCO Girls Volleyball team in the Fall. Natalie was also in the REACT club and U "Knight" Friends (North Penn's logo is the Knight). They both work with special needs kids. That meant a lot to her and she always looked forward to her events. Natalie was so sad that the spring get togethers were cancelled.
