HSPT SEMINAR

The HSPT is the test used to determine entrance & scholarships -- including the Neumann -- to most area high schools.

This 10-hour Academic program covers all areas of the HSPT: Math, Reading, Grammar & Cognitive. Dr. Pace includes her unique strategies, a review of all areas, practice tests, a daily Progress Report, homework, daily tutorials, and a plan of action for the time leading up to the fall test dates.

Parents ask: How does this program differ from the Math Gymnastics & Grammar Boot Camp week?

Answer: In the special Math & Grammar week, students will learn Math and English that test-takers should know in order to:

- 1) correctly answer questions on standardized tests, including the HSPT
- 2) produce a well-written essay for Entrance and/or Scholarship considerations.

In the HSPT program, students will use what they learned on questions that are commonly found *specifically* on the HSPT.

DATES: AUGUST 2 TO 6 (M-F) **TIMES:** 10:00 a.m. to 12:00 p.m.

LOCATION: COMFORT OF YOUR HOME, ONLINE COURSE

COST: \$160, does not include textbook
