GRACE COYLE | MaST Community Charter School

Parents and Students will undoubtedly find Grace Coyle's organized presentation extremely valuable! Thank you, Grace! Saint Joe's is extremely lucky to have you!

Hi Dr. Pace,

I wanted to give you an update on my college acceptances and plans. Here's a list of everywhere I applied and the scholarships I got back. I also applied to Villanova and I am still on their active wait list. The majority of scholarships I received were presidential. Each of the scholarship awards are annual. I was accepted into the honor's program at Jefferson, Rider, and St. John's. I have committed to Saint Joseph's University for the Fall 2018 semester. I loved the campus and program they have for marketing majors. They are career-oriented and I believe I will leave with a comprehensive education and job. Please feel free to use any of this information. Thank you so much for believing in me and I never miss a chance to tell someone about how beneficial your class was for me.

Thanks again, Grace Coyle

Bishop Shanahan High School, 2018

I took your SAT prep course a few years ago. I just wanted to give you an update of what I've been able to achieve since taking your course. I'm currently a freshman at Boston University's Honors College, and I was also accepted to Fordham University, Kenyon College, the University of Pittsburgh, and Boston College. I wanted to thank you for your part in helping me along my academic journey. I have no doubt that your classes helped me perform well on standardized tests, but they were worth more than that, too. They helped me to feel more confident about my ability to succeed in general. Your passion and attention for every student were always evident, and I'm grateful to have had such an amazing teacher. I hope that you're doing well and that your courses are continuing to inspire students like me!

DRAGON SLAYER TESTIMONIES

Dr. Pace's program "Slaying the Dragons of Standardized Tests" is exactly what both Bridget and I needed. It gave us great comfort. I feel my daughter can go into her testing with a positive mindset.

Katie McGarry and Bridget, Saint Cecilia School

The entire class was helpful for both parent and child. Getting advice from Dr. Pace to assist our kids through tough tests is very welcomed because Dr. Pace is very experienced. The positive reinforcements learned are crucial for kids who have self-doubt or anxiety. Thank you for all the great advice and techniques!

Julie Magowan and Maria, Saint Ephrem's School

I found Dr. Pace's class to be extremely helpful in my daughter's preparation for her test. Dr. Pace was always available to answer questions and my daughter found her approachable, which was important to me as a parent. I would highly recommend Dr. Pace's class.

Kimberly Wishnov and Allison, Mater Dei School

Participating in Dr. Pace's Dragon Slayers seminar allows you and your child to take time from all life's distractions and focus solely on goals and strategies for success in school and the pre-high school testing process. Take 10 minutes or more each night to pray and focus with your child!
